

# UTILITY LED LIGHTING

## LMNE-VL LED Magic Neutron

Commercial-grade, surface-mounted wrap-around ceiling luminaire. For use with indoor applications where commercial-grade ruggedness, compact design and low cost are required.

**Lumen Output**  
2800, 3700, 4500, 5200

## LMPRE-VL LED Magic Prestige

Commercial-grade, surface-mounted wrap-around ceiling luminaire. For use with indoor applications where contemporary styling and energy-efficiency are primary considerations. Regressed housing provides a floating appearance.

**Lumen Output**  
3500, 5000

## LBL-VL LED Bay Luminaire

Commercial-grade, surface-mounted utility luminaire. For use with indoor ceiling applications where contemporary styling, energy-efficiency and ease of servicing are required.

**Lumen Output**  
2800, 3700, 4500, 5200

Visioneering's VL Utility Luminaires are a great combination of durability, compact design and affordability. These Commercial-Grade LED Luminaires are perfect energy efficient replacements for fluorescent luminaires and come standard with low voltage dimming (0-10v).

## APPLICATIONS

Utility areas, storage closets, kitchens, fitting rooms, recreation rooms, stairwells, corridors, and more.
