VRS 24,48 - Vandal Resistant

Surface Mount Wraparound Luminaire
T5, T5HO, T8 Lamps
(Schools, Community Centers, Public access areas)

4091

Product Specifications - Application

The VRS series by Certolux is a specification-grade luminaire for vandal resistant applications. The design incorporates tamper resistant fasteners and polycarbonate lens. This maximizes impact resistance and unauthorized fixture tampering/penetration. The luminaire can be ceiling surface mounted available in 24" and 48" sizes.

Product Specifications

Housing

Precision die formed 16 gauge premium grade material as specified with continuously welded corners.

Gasket

The gasket material is polyurethane on the ends to minimize the entrance of contaminants.

Lens and Lens Retention

The lens is a nominal .156, UV stabilized pattern 12 prismatic polycarbonate secured to the housing with tamper resistant TORX® Head with center pin fasteners.

Finish

The luminaire is in a powder painted white finish and offers a high reflectivity coating for improved lighting performance and efficiency.

Electrical

All electrical components are CSA or UL approved. Lamp holders provided ensure positive lamp retention. Standard electronic ballasts are programmed or rapid start, with a THD of less than 20%. Luminaires are provided with an access plate, to facilitate wiring to external power source.

Approvals

CSA and UL listed Damp Location.

Vandal Resistant

Dimensions

48" Version Shown Consult Factory for 24" Dimension Details
